

## Rolfing® Structural Integration Application and Consent To be completed by Parent for Child

I, \_\_\_\_\_ (please print your name) hereby apply for a series of sessions in Rolfing Structural Integration for my child, \_\_\_\_\_ (please print child's name), age, \_\_\_\_\_.

I understand the purpose of Rolfing SI is to balance and restore the physical body so that it is supported and maintained by gravity in three-dimensional space. This is done through direct physical touch and body-centered education; balance and ease in the physical body are main goals of this work.

I further understand Rolfing SI is not involved with the treatment of disease of any kind; nor does it substitute for medical diagnosis or treatment when such attention is deemed necessary.

A Certified Rolfer™ does not treat, prescribe or diagnose illness, disease, any physical or other related ailment of the person seeking Rolfing SI. Nothing said or done by the below named Rolfer should be understood as counter to this statement.

I understand it is necessary for the Rolfer to touch my body in an appropriate manner in order to assist me in establishing balance and ease in my physical body.

I give \_\_\_\_\_ (please print Rolfer's name) my permission and consent to work with me in such a way as to restore and establish balance and ease in my physical body. I further understand that I may at any time revoke such permission and consent, and can choose to discontinue the session and series of Rolfing.

In addition, I understand that any relief of physical or emotional symptoms is coincidental in the organization of the total human being and is not a basic goal of Rolfing Structural Integration.
